

Susan Hazels Mitmesser, PhD

VP, Science and Technology
Pharmavite, LLC.

Dr. Mitmesser provides scientific leadership at Pharmavite to advance innovation and new product development strategies, and ensure the scientific integrity of all products made under its brand portfolio. She has a passion for nutrition and wellness and leverages her ability to communicate scientific findings to consumers and the marketplace.

Dr. Mitmesser brings extensive experience in research and nutrition biochemistry across various industries and sectors, including food, dietary supplements, academia and clinical settings. She serves on the Editorial Board of four peer-reviewed journals: *Advance Journal of Food Science and Technology*, *Journal of Pediatric Intensive Care*, *World Journal of Clinical Pediatrics*, and *Journal of the International Society of Sports Nutrition*. In addition, she has published in many peer-reviewed journals and is a contributing author for book chapters relating to nutrition in adult and pediatric populations.

Dr. Mitmesser is an active member of the American Society of Nutrition, the American Association for the Advancement of Science, and the New York Academy of Sciences. She also serves on the Senior Scientific Advisory Council for the Council for Responsible Nutrition. She holds a PhD in Human Nutrition from the University of Nebraska.
